**INVITATION for
PREQUALIFICATION OF BIDDERS
INSTALLATION OF WATER FILTRATION PLANTS ON EXISTING
PUBLIC HEALTH ENGINEERING DEPARTMENT FUNCTIONAL
RURAL WATER SUPPLY SCHEMES PUNJAB PROVINCE, PAKISTAN**

Housing, Urban Development & Public Health Engineering Department (HUD&PHED), Government of the Punjab has launched Khadim-e-Punjab Abe-Sehat Project to provide safe drinking water to the people of rural Punjab, an estimated 8.0 million people, as per WHO Standards in over 1,743 villages.

The Project schemes are located in Northern part of the Punjab Province and led by Project Management Unit (PMU) with the support of a team of International & National Experts. This invitation for prequalification is for **“Installation of Water Filtration Plants on Existing Public Health Engineering Department Functional Rural Water Supply Schemes”**. The Project is divided into Eight (08) Packages for the purpose of ease of construction & speedy delivery. Each Project is between USD 7.0 million to USD 12.5 million (covering construction and 5 years operations & maintenance). The Project is generally anticipated to be based on standalone water filtration units.

HUD&PHED invites applications for the prequalification from national and international firms (either single companies or in joint ventures) for this International Competitive Bidding. HUD&PHED is particularly keen to invite bidders with international experience. Procurement will be conducted under Punjab Procurement Rules 2014 (www.ppra.punjab.gov.pk) using Single Stage Two Envelope Bidding, after prequalification.

Bidders may acquire the Prequalification Document from HUD&PHED (address below) or by sending an email to designcellhudphed@gmail.com. It can also be downloaded directly from www.ppra.punjab.gov.pk or www.hudphed.punjab.gov.pk/downloads.

Applications for prequalification must be delivered in a sealed envelope through hand or registered mail to the address given below no later than **4:00pm (Pakistan Standard Time) November 15th, 2017**. Single Application can be submitted for multiple packages.
